ELECTS TWO

Sphinx Society Confers Distinction on Maxine Girts and Mae Markley.

HIGHEST GIRL HONORS

Membership Limited to Seven Co-Eds Active in Student Life and With High Scholarship.

The highest honor a girl student at G. W. can attain was conferred upon Mae Adelle Markley and Maxine Girts when they were elected to membership in the Sphinx Honor Society, thus completing the seven members allowed the society. In order to be eligible to election the girl must have made an average of over 90 in all her studies and must have been active in student work.

Mae Adelle Markley, upon whom the honor was conferred, is a member of The Hatchet staff, manager of girls' tennis, and engaged in several other activities in the University. In addition to the positions which she holds this year, Miss Markley has served as girls' sport editor on The Hatchet, assistant manager of girls' tennis and has been a member of the glee club.

Maxine Girts, a member of Pi Beta Phi sorority, is the president of the Junior Class of Columbian College. Miss Girts has been engaged in several of the activities of the school and was last year the secretary of the Dramatic Club.

The initiation of the new new members was held on Monday, March 6, in the rooms of the Women's University Club.

NINE UNDERGRADS ADMITTED TO FRAT

Chief Justice Taft Principal Speaker at Banquet to Phi Alpha Delta Initiates at Lafayette.

The John Jay chapter of the Phi Alpha Delta Legal Fraternity held its midyear initiation ceremonies last Saturday at the Hotel Lafayette. The ceremonies were impressive and were followed by a banquet attended by resident members of the order, including members of the Taft chapter from the Georgetown Law School. Chief Justice Taft was the principal speaker. Hon. T. H. Caraway, the United States Senator from Arkansas, was admitted to the honorary degree.

Those initiated were Robert L. Anderson, James C. Hatcher, Joseph A. Jordan, James Ptak, Walter T. McCarthy, Verne P. Simmons, Eustis Myers and Kenneth Parkinson.

NOVELTIES TO FEATURE ENGINEERING DANCE

Unique Programs To Be Used; Excellent Music and Refreshments Promised by Committee.

The dance tomorrow night at the Cairo ballroom will be the largest social event the Engineering School has ever staged. This is the annual spring dance given by the Engineering Society for its own members and for all of George Washington's embryo Engineers, their friends and patrons, and all others who find it financially convenient to depart from \$2.50.

Several novelties will be featured, which will be of especial significance to engineers, according to John C. MacNab, chairman of the committee in charge of the dance. Peculiarly appropriate programs will be used.

A variety of posters on the bulletin boards has served to advertise the dance. Good's good music has been engaged for the occasion and will be lighted off at nine o'clock. Enjoyable refreshments are promised by M. J. Bussard, who is entrusted with this feature. Every effort is being made by the committee to make this event a socially enjoyable and memorable one, and they ask the support of the students to make this dance an even greater success than those of former years.

GIVES BIBLE COURSE.

Miss Mabel N. Thurston is giving a five weeks' Bible study course which is conducted on Tuesdays in room 23, Lisner Hall, from 7 until 8, and is open to all University girls. The course was organized by the Y. W. C. A.

TWO FRAT QUINTS REMAIN UNDEFEATED

Championship Honors Lie Between Theta Deltas and Sigma Alpha Epsilon.

STANDING OF THE TEAMS.

League A.				
Team.	W.	L.	Pct.	
Theta Delta Chi.	3	0	1.000	
Sigma Phi Epsilon.	2	1	.667	
Sigma Chi.	1	1	.500	
Kappa Alpha.	0	2	.000	
Sigma Nu.	0	2	.000	

League B.				
Team.	W.	L.	Pct.	
Sigma Alpha Epsilon.	3	0	1.000	
Phi Sigma Kappa.	2	1	.667	
Delta Tau Delta.	1	1	.500	
Kappa Sigma.	0	2	.000	
Phi Chi.	0	2	.000	

S. A. E. DEFEATS P. S. K.

Thanks to the clever shooting by "Russ" MacAllister, the Sigma Alpha Epsilon quint were able to take a commanding lead in League B by defeating the speedy Phi Sigma Kappa five, 23 to 12. So close was the guarding of both teams that not a floor goal was made in the first half. Foul shots by Pease gave the S. A. E.s a 4 to 1 lead at half time.

Phi Sigma Kappa knotted the count in the third period, only to have S. A. E. take a commanding lead when MacAllister went on his scoring rampage, dropping in six baskets from all angles. He was easily the individual star of the contest. Rutley and Jackson played well for Phi Sigma Kappa. Rutley lost a number of baskets by a seeming "whim" of the ball.

SIG EPS WIN EASILY.

Sigma Phi Epsilon ran rough-shod over the Kappa Alpha five, 44 to 6, Monday evening at the Palace gym. Better condition and team work enabled the Sig Eps to gain the long end. Marshall, at roving guard, led the scoring with 9 field goals and played a "classy" game. Coe and Hatcher also played well for S. P. E. Dice and Eismann performed creditably for Kappa Alpha.

SIGMA CHI LOSES THRILLER.

Theta Delta Chi "rode out in front" in League A when they defeated Sigma Chi in a thrilling contest, 17 to 15, last Thursday night at the Palace gym. Overcoming a 9 to 4 lead which Sigma Chi had piled up by half time, the champs, aided by clever long-distance shooting, were able to gain the verdict. Sigma Chi was kept in the running by her foul shooting ability, being outshot from the floor by 8 baskets to 4. The work of "Al" Roberts at forward and Hixson at guard were the features of the Theta Deltas' play. "Charlie" Boteler put up a clever game for the losers.

COLUMBIAN WOMEN ENTERTAIN LECTURER

Miss Schelling, Guest of Honor, Gives Vivid Description of Dante Celebration.

At the meeting of the Columbian Women of George Washington University on Tuesday, March 7, at the G. W. Law School, 1435 K Street, Miss Julia Schelling was the guest of honor. Miss Schelling gave an informal talk on the "Dante Celebration at Ravenna," which she witnessed. Mrs. John Paul Earnest, the president of the Columbian Women, introduced Miss Schelling to the number of women present, in spite of the rain that had threatened to cause the postponing of this interesting meeting.

Miss Schelling gave a very engaging and graphic description of the Dante celebration, the effect being heightened by the fact that she was an eye witness of the celebration and not merely had read of the account, as is the case with many lecturers.

The hostesses on this occasion were Miss Grace Cullen, Miss Eunice Crabtree and other members of the Pan-Hellenic Association of George Washington University.

BRYAN MORSE RECOVERING.

Bryan Morse, Director of Student Activities, is rapidly recovering from an operation for appendicitis at the George Washington University Hospital, the nurse in charge reported yesterday.

NEW

Method of Government Proposed for School Activities

TO PLACE ATHLETICS UNDER SEPARATE BODY

Four Faculty, Four Students and Three Alumni Compose Board To Control G. W. U. Sports.

ELIMINATES PRESENT SYSTEM OF PAYMENT

All Social Events Given in Name of University and Class Elections To Be Supervised by Student Council.

Sweeping changes in the present system of the control of student activities are incorporated in a resolution to be presented by the Student Council to the President's Council, following recent action taken by the council.

The proposed changes provide for the incorporation of a general athletic association and a student council, one having control of University athletics and the other control of all other student activities.

The matter was informally presented to President Howard L. Hodgkins Tuesday afternoon by the committee from the Student Council. The president agreed that definite duties should be prescribed for each agency in charge of an activity.

The committee from the Student Council acting in behalf of the council and the student body is composed of the following: Bernard F. Burdick (Continued on page four.)

RETURN WRESTLING BOUTS WITH KENDALL GREENERS

Two Professionals To Meet in Preliminary; Last Appearance of Hatchettes This Season.

Probably the biggest wrestling bout of the year will be held 8:30 p. m. Wednesday, March 15, at Musician's Hall, 1006 E Street Northwest, when, in addition to five matches of the G. W. U. grapplers against the Gallaudet mat men, there will be two matches in which noted professionals will participate.

In the two preliminaries Kirchway, 125-pound Olympic champion of 1920, will appear against a wrestler of the same weight, and Havens, the heavy-weight South Atlantic amateur champion, will grapple possibly with his brother, according to tentative plans now held by James C. Hatcher, manager of the G. W. team.

The varsity squad is also expected to reverse their first defeat by giving the Silents a good flooring, according to Manager Hatcher. The team has been greatly strengthened by the addition of Johnson, a past star of the mat and gridiron for West Point. He is in the 175-pound class.

Hatcher will use the following men in his effort to stage a comeback: 125 pounds, Hudley; 135 pounds, Stokes or Horamy; 145 pounds, May, who won his match on the Gallaudet floor; 158 pounds, Corbin or Tyler; and for the 175 pounds, Johnson.

"This will possibly be the last appearance of the Hatchette grapplers this year," stated Manager Hatcher last night, "so every effort will be made to make this a big affair. I have practically completed arrangements for the appearance of these champions to wrestle in preliminary matches before the five bouts of our men, and I hope the dual schedule will be the means of making the meet successful."

LAW SCHOOL TO DINE.

The annual Law School dinner will be held this year at Rauscher's on April 8 at 7 p. m. Tickets can be secured from the following members of the Senate for \$3.50: Third year, Mr. Ross, Miss Tilghman, Mr. Hughes; second year, Mr. Melker, Miss Wallace, Mr. Gall; first year, Mr. Lewis, Mr. Norcross, Miss Martin.

MAKE ACTIVITY TAX COMPULSORY-BORDEN

University Physician Points Out Many and Varied Benefits Derived from Universal Payment.

Benefits accruing to tax signers under the hospital and medical features of the student activity tax are brought forcibly to the attention of G. W. students again by the operation for appendicitis performed on Bryan Morse on Saturday of last week. All expenses incident to his stay in the George Washington University Hospital and medical care and attention during convalescence, with the exception, of course, of the fees for the operation and the operating room, will be covered under his subscription to the tax of \$10 for the school year.

This is a considerable item, and it represents an altogether appreciable part of the expense incident to such an operation. Every student in the University who signs the tax is entitled to similar benefits. This system provides health insurance of the most practical sort and students who have been given medical attention thereunder say that it is the best thing they receive in return for their subscription.

Answers 90 Calls a Month.

Over 800 calls were received last year and 40 operations performed under the provisions of the medical and hospital benefits. For the school year beginning September, 1921, an average of 90 calls a month have been received, and a number of operations performed. (Continued on page three.)

GIRLS' NEGATIVE TEAM LOSES TO WESLEYAN

Ohio Co-Eds Take Hotly Contested Debate Held Friday Evening, March 3rd.

In a well-constructed and hotly contested debate between the girls' negative debating team and that of Ohio Wesleyan, held at Delaware, Ohio, Friday evening, March 3, the G. W. girls lost to Ohio Wesleyan but were highly complimented by the judges on their argumentation.

The girls of the negative team were Filimora Wilgus and Louise Foster of the Law School and Mildred Belt of Columbian College.

The girls of the opposition were all enrolled in a public-speaking course and had had from two to four years' experience. Of the three judges who decided the debate, two were instructors in the public-speaking department of Ohio Wesleyan and the other a resident of the community.

ENOSINIAN SOCIETY PLANS CELEBRATION

Centennial celebration plans for the Enosinian Society are being arranged by a committee of three, representing the society, the alumni and the faculty, appointed by the president of the society following the action of the members at their last meeting, Monday, March 6. It is hoped the celebration will take the form of a public meeting with several important speakers and an appropriate program.

The Enosinian is the oldest society in the school, being formed in the second year of the school's existence, March, 1822, and continuing through the fortunes of the school for a full century. Many of the alumni were members of the society in former years, and they have looked forward for this hundredth anniversary. The committee is composed of Mr. Hodgkins, of the society; Mr. Singleton, of the alumni; and Mr. Elmer Kayser, secretary of the University, for the faculty. If possible, it is to take place during Commencement Week.

POSTPONE SOPH MIXER.

Owing to the many social events which are being held in the next few weeks, the sophomore mixer which was scheduled for the near future, has been indefinitely postponed, President Tolson announced last night.

PUB. FRAT TO GIVE DANCE.

March 16 has been set as the date for the dance to be given by the Gamma Tau Zeta fraternity at the Phi Sigma Kappa ballroom, 1603 Massachusetts Avenue. Each member of the publications staff will be privileged to invite special friends.

DEBATE WON

G. W. Women Defeat West Virginia Team With Strong Arguments.

DEFEND AFFIRMATIVE

Question of Discussion Was That the United States Should Recognize Soviet Russia.

Through team work, accompanied by effective delivery and authoritative presentation, the home team of the George Washington woman debaters won a decisive and unanimous decision over a visiting team from the University of West Virginia at the Y. M. C. A. last Friday evening and before a large and enthusiastic audience.

The subject of the debate was: "Resolved, That the United States Should Recognize the Soviet Government of Russia." Walter C. Clephane presided and introduced the participants. Prof. Charles S. Collier, president of the G. W. Debating Council, acted as master of ceremonies and welcomed the guests.

Associate Justice, Jennings Bailey, Assistant Secretary of Agriculture C. W. Pugsley and Dr. Q. C. Stine of the Agriculture Department acted as the judges and from their seats in different parts of the auditorium, rendered their decisions independently.

Miss Sarah Tilghman, '22, Law; Miss Kathleen Duggan, '23, Law; and Miss Catherine Gayle, '22, Law, upheld the affirmation for G. W.

Misses Emily Morris, Edith Castleberry and Beryl Shaw, members of the West Virginia team, argued the negative side of the question.

A reception was given to both teams at the Sigma Nu fraternity house after the debate.

SORORITY GOATINGS CREATE SENSATION

Collect Pennies From Luckless Students for a Settlement; Use of Powder and Paint Forbidden.

Dear me, where are all those endearing young charms? Which I gazed on so fondly last day? For lo! with the passing of powder and puff These charms have all passed away.

A crime wave, followed by broken dates, blasted hopes and shattered glasses is expected during the present orgy of back to nature stuff among the sorority goats. It is springtime—the moon still shines—whispering young poets are ready; but inspirations are no more. In all her glory stands forth the inspired conception of Kipling: "A bag of bones, and a whisp of hair."

Wild plans are being made to found a settlement for the luckless exposed. To this end pennies are being grabbed at every corner—fortunate are you, indeed, if you have left two cents for mailing a letter to your wife.

And the object of it all is goatting—but who is the goat?

SPECIAL SPEAKERS AND MUSIC AT CHAPEL

Prominent speakers of the city and special instrumental music are to be features of the official Wednesday chapel services, the attendance at which has been increasing rapidly during the campaign recently conducted to give them a more prominent place in University life.

Next Wednesday, Dr. Herbert Randolph, of Foundry Methodist Church, will address the students. Wilmer Bartholomew is in charge of the music and has arranged special numbers for the meetings.

Faculty chapel each Friday is addressed by some member of the faculty. Today there will be a special cello solo by Theophil Menzel.

SPANISH CLUB DISCUSSES PLANS.

At the monthly business meeting of El Circulo Espanol Thursday, March 2, various matters of business were discussed, plans for real Spanish programs at each meeting and for giving the club a more prominent place in the affairs of the University.

After the meeting there was dancing, and Mr. Alonza Perales recited some of Becquer's "Rimas."

WASHINGTON, D. C., MARCH 10, 1922

A New System Presented

A committee of the Student Council presents to the student body the plans for a new system of regulation of activities at George Washington University. Realizing the discontent that has long prevailed among students, faculty and University officials as to the management of activities and the functioning of the governing bodies of the University, especially the Student Council, this committee of the Council will submit to the President of George Washington University and the President's Council tentative plans for a reorganization.

The outstanding feature of the new system is the separation of the athletic activities from all others and the institution of a George Washington University Athletic Association, composed of members of the faculty, alumni and student body, paying a yearly tax of six dollars, and which will entirely govern athletics. From this association eleven representatives will be chosen who will compose the Board of Directors, of which the student director will be the executive head.

An analysis of this feature of the proposed change points to a better execution of athletic policies and favorable to a greater development of athletics. As it is now, the Board of Managers, the Student Council and the Director of Student Activities attempt to run the athletics and a conglomeration of duties results. The new system would concentrate all athletic interests into one body, and this entity would be held responsible for developments in this field. Not only are athletics beneficial to the participants in the way of physical training, but they are the only activities that compass national scope of interest.

The other salient feature of the new system is the reorganization of the Student Council, its members, powers, and duties. Instead of being composed of representatives elected from the student body, together with a certain number of members appointed by the Board of Managers and the Student Director, the entire membership will comprise the representatives elected by the students. The new Council will control all student activities given in the name of the University except athletics. This will make the body much more powerful than at the present time, and will make membership more coveted. The Council members will be afforded the opportunity of doing what they were elected to do and will be held responsible by the student body for the proper execution of activities over which they have control.

The new system provides for the financing of the publications on a subscription basis and the proper administration of the managing of recognized publications. This is a great step forward in the line of journalistic work at this University, as there can be no hope for enlargement of a publication that donates its subscription proceeds to the student activity fund. The Council is also entirely in charge of all student social affairs given in the name of the University. This should bring about better social events, because there will be an outstanding medium to concede credit for the successes and to lay blame for the utter failures.

The Director of Student Activities will act as the executive head of the Athletic Association and in an advisory capacity to the Student Council, its agencies, and the student managers. This will centralize the greater part of the director's duties toward the management of athletics and will eliminate the great number of interests for which he is now responsible, too great for the capacity of one man.

The present method of supervising the activities at George Washington is not only displeasing to many of the students, but does not make for the best execution of our activities. There have been springing up for some time antagonisms between the governing bodies, and there is a constant conflict of powers and administration of duties. This system, proposed by the committee from the present Student Council, is intended to segregate the activities and place in charge of them agencies directly responsible for their execution. The referendum is placed before the student body before being submitted to the President's Council. What is your opinion?

STUDENT SLAVE SAYS:

Why holler so much about a campus when we still have the use of F Street?

Dear Stupe:
Why is it that some of the studes who got B for the semester tried awfully hard to raise it to an A?

Dear Q. Errious:
I guess they want everyone to think that they passed their subject with "Es" (ease).

PATRONIZE OUR ADVERTISERS.

It is a much more difficult matter in a large city to solicit advertising than in a small college town. Especially in Washington is this noticeable where there is an excessive number of daily papers, and because the personnel of our University is such that the management of the store is unable to ascertain whether or not the purchaser is a student of George Washington.

The Hatchet this year is having considerable trouble in securing sufficient advertising to defray the expenses of producing its four pages, and there is absolutely no hope for further enlargement until more advertising space is procured. Every George Washington student should realize this condition and endeavor to patronize the firms which, by their advertising, enable us to produce a paper.

Oliver Henderson,
Advertising Manager,
The University Hatchet.

Wonder if some of our "war heroes" will get vocational training because of spring fever, which is bound to attack them?

Dear Stupe:
Somebody asked me if it was necessary to sit on a tack to get the point of your "jokes."

Dear Thing:
Just tell your sarcastic friend that only those who have a head like a tack need take that precaution.

Mon Cheri Ami Steve:
What does "Fais dodo, mon petit, frere, fais dodo" mean? Frenchy.

Dear Frenchy:
Ask your French prof. He's getting paid for it, and besides, I don't know.

Dear Steve:
What I want to know is, where did the water go after the flood?

Dear Mr. Ark Drier:
The same place your lap goes when you stand up.

Dear Steve:
I saw a beautiful girl the other day. She wore sport shoes and thin, sky-blue-pink stockings, also she has red hair and wears a lavender hat and pink sweater. Who is she?

Dear Idel:
That's one on me; I didn't know there was a circus in town.

But he's really trying out for Sales Manager

THE freshman who comes out for baseball manager and who sticks is learning a lesson which, whether or not it wins that honor for him, should win some honors in after life.

He will learn that his plugging on the diamond, his efforts four years hence to get the upper hand on his first job, and after that his striving to climb into the managerial and executive class are all part of the same game.

Now, just as ten years from now, he will have to do many things that are hard, many things that are unpleasant. The more willing he is, the more work will other men put upon him. But by that he grows.

The rewards after college are given on about the same basis as now. They go to the man who besides doing his main job well, still has the time to reach out after other work and the spirit that masters it.

Here is where this comes home to you. Don't be content with standing high in the classroom. Support your college activities and go after some campus honors too. This broadening of your interests will become a habit that in after life will prove a mighty big help.

**COLUMBIAN DEBATERS
TO DISCUSS PROCEDURE**

To Propose Joint Meeting With Enosinian Society and Georgetown University.

The subject of the debate tonight at the meeting of the Columbian Debating Society will be: "Resolved, That the Senate of the United States Should Pass the Treaties of the Late Limitation of Armaments Conference in Washington Without Reservations." Messrs. De Brodes and Schmidt will defend the affirmative, while Messrs. Marshall and Spoerri will uphold the negative.

A series of studies on parliamentary procedure will be presented during the next few meetings, the first of which will be on the organization and government of mass meetings, which will be given tonight.

There will also be a discussion of a tentative plan of intersociety debates between the Columbian Debating Society and the Enosinian Society and also between the society and the debating society of Georgetown University. Other important business will be the matter of fines for nonappearance of debaters scheduled on the night assigned, and the question of the election of a critic.

**FREE LANCERS INVITE
STUDENTS TO MEETINGS**

Congressman Sinclair Discusses Non-Partisan League at Last Session.

The Free Lance Club invites the men of the University interested in the problems of the day, political, social, industrial, and economic, to become members of the organization and attend its meetings. The club stands for the free discussion of current public questions and has for its purpose the development of intelligent student opinion thereon, through investigation and discussion. Last Wednesday evening the club met in room 23 and was addressed by Congressman Sinclair of North Dakota, who talked on the Non-partisan movement.

At its previous meeting the club voted unanimously to affiliate with the Intercollegiate Liberal League, which is comprised of like clubs in about 30 American universities and colleges.

**MAKE ACTIVITY TAX
COMPULSORY—BORDEN**

(Continued from page one.)

Of these, about 30 have received hospital treatment anywhere from one day to two weeks. Medical aid and attention is also rendered to the members of the athletic teams, and physical examinations made.

Out-of-town students realize the importance of the medical treatment offered by the University and are making use of the benefits to be derived thereby under the voluntary tax system. The majority of the calls received have been from out-of-town students. It is an unusual blessing and a great saving to a student away from home who is working his way through college to receive expert medical treatment and hospital service for the nominal sum of \$10 a school year.

Best Medical Attention Given.

Dr. Daniel L. Borden, who is in charge of this work, aided by Dr. Frank A. Hornaday and a competent corps of assistants, sees that the students receive the best medical and surgical attention. The services of the best physicians in the city are at their disposal, and George Washington Hospital, a most up-to-date and well-managed institution, renders them additional service.

Dr. Borden inaugurated this system of medical and hospital benefit for the students of George Washington University, and has personally taken charge of it and given it close attention. "The best of medical attention and hospital facilities are offered to the students of George Washington University under this system," he stated recently. "It is only necessary that they subscribe voluntarily, to the Student Activity Tax. Of late, however, in view of the many and varied benefits to be derived thereunder, I have come to the belief that the Student Activity Tax should be made compulsory."

PROM NOTICE.

It is requested that all money from the sale of tickets, and all outstanding tickets for the Junior Prom be mailed to John Paul Earnest, Jr., 2123 N St. N. W.

**MUST PAY TAX NOW
TO GET CHERRY TREE**

The management of the Cherry Tree announces that there are still a number of students who have not paid the second installment of the activity tax. This must be paid before March 15 in order to receive the Cherry Tree. Individual subscriptions must also be paid before that time.

Copies of the 1921 Cherry Tree are on sale in the general office for \$1.00 each.

**GIRL DRIBBLERS LOSE
THREE GAMES ON TRIP**

Two Contests Go to Opponents by Two-Point Margins.

The girls' basketball season is over. The last three games of the season were played last week, during the visit of the local varsity to Philadelphia. The girls left Washington Wednesday morning and played Temple College that afternoon. Temple, which holds the Atlantic Seaboard Championship, won by a 43-11 score. Miss Voorhees, Temple's coach, stated that the G. W. U. guards, Woodford and Bowie, were among the best Temple had ever met. The team played the University of Penn. sextet on March 2 and lost to them by a 21-19 score. The G. W. U. girls were at a disadvantage, for the court was unofficial and therefore new to them. Swarthmore, next on the schedule, was played the next day, our girls losing the game on foul goals. The score was 18-16, and the game close. Umbeck's work was outstanding in all three games. Brewer starred in the University of Penn. game, and Robison did particularly well in the Temple and Swarthmore games.

**Y. W. C. A. TO HOLD MOOT
COURT TRIAL AS STUNT**

Is she guilty? This is the weighty question to be decided next Monday immediately after chapel, when in Lisner Hall Mrs. L. S. will be tried with all the formalities of old English court procedure.

The citizenship committee for the Y. W. C. A. is putting on the stunt, which is to be a live affair of a humorous nature, but with a serious underlying purpose.

All of the University girls are invited to attend the court session. The men should watch the bulletin board for further information concerning this event. Subject to the approval of Dean Rose, they may be invited also.

**DR. MITCHELL LECTURES
ON SATIRICAL COMEDY**

"Satirical comedy as Aristophanes wrote it was directed to such an audience as ours and in such times as these we live in," was the idea of Dr. Mitchell's second lecture as he compared and applied the art of the old Grecian dramatist to the needs of the present stage for pure comedy. He closed the lecture by reading an act from "The Frogs," which he had translated himself from the original and had generously furnished with a high type of the vernacular familiar today instead of trying to render the vernacular that Aristophanes used. The lectures will continue each Thursday at 11.15 in the morning at the Concordia Church at the corner of Twentieth and G Streets.

TRY-OUTS FOR DEBATERS

Prof. C. S. Collier, president of the Debating Council of the University, has issued a call for candidates to try out for the debating team which will represent George Washington University against the University of Pennsylvania. The try-outs will be held in the Law School on Tuesday, March 14, at 8 p. m. The candidates will be permitted to deliver ten-minute speeches on the subject of the debate, which is: "Resolved, That the United States Cancel the War Debts Owed to It by the Allied Nations by Treaties Providing for the Cancellation of All the War Debts Owed by the Several Allied Nations to One Another."

SAKS AND COMPANY

There is one thing a College man wants—quality of course; but with that distinctive style.

That's what you'll get in Saks Clothes—they are Saks made—so we know they are properly cut and properly made.

The prices are what they have always been—right.

SALIENT FEATURES OF PLAN AS PROPOSED BY THE STUDENT COUNCIL.

1. Obviates present interlocking duties of the Student Council and Board of Managers.
2. Provides better publicity for school events and athletic games.
3. Eliminates having to pay for all benefits now derived from Student Tax when only one or more parts is wanted, since it can be taken in parts.
4. Gives the students an accounting of funds given by them for activities.
5. Gives the Council definite instead of hazy functions.
6. Leaves major policies (athletics, etc.) to more mature minds, namely, the faculty and alumni.
7. Will put the Student Council in a position to do what they were elected to do, but which they are now prevented from doing.

Mr. Student, do you approve of these changes?

NEW METHOD OF GOV- ERNMENT PROPOSED

(Continued from page one.)

(chairman), Waldo A. Clark, Walter Scott, E. J. Peterson, H. H. Shinnick and Robert N. Anderson (ex-officio).

The recommendation of the Student Council, which will be presented to the President's Council, follows:

There shall be formed two bodies auxiliary to the President's Council, the functions of which shall be correlated by the Director of Student Activities. These two bodies will be known as the George Washington University Athletic Association and the George Washington University Student Council, to be referred to hereinafter as the A. A. and the Council, respectively.

The G. W. U. A. A.

Members of the G. W. U. A. A. shall be those faculty, alumni and students holding season tickets, which will entitle them to admission to all home athletic contests. We suggest the price to be set at \$6.

It is recommended that this membership also entitle the holder to the medical benefits now enjoyed by payers of the present tax.

The student members will elect the student representatives on the board of the association.

Members of the A. A. will also be entitled to purchase extra tickets to home athletic contests (not to exceed two) at a discounted rate.

The duty of and responsibilities of administering the powers of this body shall be vested in a board of directors.

Board of Directors of the G. W. U. A. A.
The board shall consist of eleven members, as follows: Four members of the G. W. U. faculty; appointed by the President; three members of the Alumni Association, who shall be elected by that association; four students of the G. W. U. who shall be members of the G. W. U. A. A. and shall be elected by the A. A.

The elections to this board will be annual and in such manner as is prescribed by the by-laws of the G. W. U. A. A. The term of office shall be for one year. Candidates for student membership in the board and candidates for membership in the Student Council shall secure the endorsement of the dean of the department in which he or she may be registered, as to scholastic qualifications previous to the election.

The board will dictate and control the athletic policy of the University.

The board will adopt their own by-laws, and elect their own officers.

The student members of the board will form a committee to select all managers and assistant managers of recognized sports, subject to the ratification of the whole board.

Student managers of sports will submit an estimated budget to the board, who will make all appropriations from the funds of the G. W. U. A. A.

The board will be the executive committee of the A. A. and its officers will be the officers of the A. A.

The board will select all athletic coaches, subject to the approval of the President's Council.

The G. W. U. Student Council.

Membership. Active membership shall consist of elected representatives of the entire student body by proportional representation from each of the several departments of the University. There shall be no more than three nor less than one representative from each of the college departments of the University; the exact number to be determined from time to time by the Council. No department shall be represented by more than three men or one woman.

The editors and business managers of all recognized University publications shall be ex-officio members.

The exact time and manner of elections shall be determined by the Council, except that they shall be annual and that the term of office shall be for one year.

The general principles embodied in the present constitution of the General Organization of the G. W. U. shall hold wherever applicable to the new Council. Functions. The Council shall supervise all activities (student) given in the

name of the University, except athletics.

The Council shall elect their own officers and adopt their own by-laws in accordance with principles embraced in the present constitution hereinafter mentioned.

The Council will appoint editors and business managers of all University publications and managers of such organizations acting in the name of the University and looking to it for financial support.

Through these appointees the Council shall control the activities and be directly responsible to the President's Council for the proper administration of them.

The student managers (other than those of sports), after consulting the D. of S. A. shall prepare and present a budget to the Council, which body will make all appropriations from funds collected for these purposes.

Six-monthly financial statements to the Council will be required from all student managers handling funds.

The University publications will be financed on a subscription basis.

The Council will take charge of all student social affairs given in the name of the University.

The Council shall supervise all class elections.

The Council shall administer the honor system.

The present \$10 tax is to be eliminated through this system.

Director of Student Activities.

The D. S. A. shall be the executive officer of the G. W. U. A. A.

The Director of Student Activities shall act in an advisory capacity to the G. W. U. A. and the Student Council and their agencies. He shall counsel, the activities of all student managers.

In the event that a proposed plan of a student manager or committee of the Council is unwise in his estimation, it will be his duty to veto the plan temporarily. It shall be the duty of the D. of S. A. to place the matter before the body to which that manager or committee is responsible at the next regular meeting of said body. If, then, that body does not by official action remedy the matter to the satisfaction of the D. of S. A., he may present the case to the President's Council for final action.

Each body herein mentioned shall commission the student managers under its control with definite and specific instructions.

The D. of S. A. in addition to his duties as coordinator between the Council and the board, shall be the executive officer of the Athletic Association.

FOOTBALL DANCE HELD.

Last Thursday evening at the Kappa Sig house a dance was given, the proceeds of which were to be used to purchase the golden footballs given to members of the varsity squad of the football team. The dance, while attended by between 40 and 50 couples, was not the financial success hoped for by those in charge. Of the amount desired for the above purpose nearly \$100 yet remains to be obtained.

HEARD THROUGHOUT THE COLLEGIATE WORLD

Dennison University.

Wireless music from Pittsburgh has been broadcast over the town of Granville, Ohio, by amplifiers and a loud speaker in Science Hall of Denison University.

Valparaiso University.

The Hon. J. Stitt Wilson, who recently gave a number of addresses at Valparaiso University, is now lecturing at the Indiana University, Illinois, Ohio, Northwestern, and Yale are still on Mr. Wilson's card.

University of Oregon.

During the fall term at the University of Oregon the women averaged higher in scholarship than the men. Mrs. George Fitch, assistant registrar, claims the girls are more conscientious and have stricter house rules than the men.

GIRLS TO SING AGAIN.

The Girls' Glee Club, encouraged by its recent successful concert, is making many plans for the future. Within the next few weeks the whole club is going to give a concert at Walter Reed Hospital. On March 27 certain members of the club are to sing at the College Women's Club. Other plans are in the making. Another public concert is being considered for the late spring, as a conclusion to a year of hard work and real accomplishment.
